

BOOKING CONDITIONS

Booking requests, modifications and confirmations always need to be in written (e-mail, fax, letter, booking form)

GENERAL

1. The reservation request is not binding until the required down payment is made and the guest has received written confirmation from the campsite. Previously the guest will obtain a detailed quote and information concerning the requested accommodation, administration fees, down payment and cancellation policy, determined by the length of the stay, the arrival date, as well as the accommodation type. If the down payment has to be made by bank transfer, this information will be facilitated per e-mail. In the case of short term bookings, where the down payment has to be made directly with credit card, the information will be available in the booking form itself.
2. Making the required down payment, the guest makes the booking binding and confirms that personal data and the booking information are correct and accepts the booking and cancellation conditions, as well as the campsite rules and regulations, available on our website. Furthermore, the guest accepts Camping Les Dunes S.A.U. uses his or her personal data according to current privacy laws. More information available in our privacy policy.
3. Bookings are personal and non-transferable. The administration fee as well as the required down payment is charged per booked unit.
4. The confirmed booking period has to be paid entirely, even if a cogent reason (i.e. car breakdown, illness, etc.) causes a delayed arrival or premature departure. If the booked unit is not occupied within 24 hours after the start of the booked period, the booking will be cancelled. If requested in writing Las Dunas will try to maintain the booking whereby the guest is bound to pay the entire booked period.
5. Las Dunas is a family campsite. Guests who do not travel as a family unit need to indicate this in their booking request and get permission from reception. Las Dunas may declare the reservation void and refuse access to the campsite to groups arriving without explicit permission.
6. Upon arrival every person staying on the campsite must check in with a valid identity card or passport, not a copy. The wristband provided by the campsite for identification purposes must be worn visibly at all time during the stay.

7. Payments with credit- or debit cards are only accepted in the restaurant and in the supermarket. All other sections, including reception, only accept cash payments.
8. The maximum occupation per pitch or bungalow is 6 persons, including children. No persons are included in the price for a pitch, 4 persons in that of a TWIN bungalow and 6 in a PONENT bungalow. One vehicle is included in the price, an additional vehicle (car or motorbike) is subject to a surcharge and has to be inscribed, also when parked at the external car park. Only one motorhome or caravan is allowed per pitch.
9. To receive visitors the guest must first obtain permission from reception. The sum of guests per accommodation and their visitors may never exceed 10 persons, including children. Visitors must pay the current visitor fee and be collected at reception by the guest receiving them. In high season visitors are not granted access to the pool, even when paying the fee.
10. Prices include VAT, but not the the tourist tax. Modifications in tax rates will be charged to the client, also when the booking is confirmed.
11. Any exception to these conditions is only binding if confirmed explicitly in writing by Las Dunas.
